

# Pipe Line Contractors Association of Canada Convention

## What Do I Wear

St. John's NL June 6-10, 2010

### Dress Code Descriptions

**Casual** - Jeans, t-shirts, golf shirts, shorts, casual pants, sweaters, walking or running shoes.

**Golf Attire** - Shorts or long pants are acceptable. Proper golf shirts are required (no tank tops or bare midriffs). Blue jeans are not allowed. All golf shoes must have soft spikes or running shoe style soles.

**Smart Casual** - A notch above casual. For both the ladies and men, golf shirts or open neck shirts are acceptable with nice pants. Ladies may also choose to wear a top with a skirt or a dress.

**Jacket and Tie** - At the Board Meeting on Tuesday June 8, director's photos will be taken.

**Tour Appropriate** - See the back of your Convention Program for specific requirements for your tour.

**Theme Wear** - This year's theme party "Screechin' on the Rock" is a celebration of all those who shaped the history of Newfoundland and Labrador. Some of the unique costume characters to consider might be Vikings like "Frodi the Miserable", explorers like John Cabot, extinct Boethuck Indians, fishermen, pirates, naval commanders and smugglers.

And let's not overlook the others who shaped the history such as the cod, crab, whale, seal and maybe even a bottle of "Newfie Screech". Be forewarned, everyone comes in costume to a PLCAC theme party!

**Formal Wear** - Ladies may choose to wear a cocktail dress or a full length dress. Gentlemen should wear a tuxedo or a dark suit.
